

## Employers

### What are the Key Elements of **WORKReady!**?

Kansas is committed to developing the best environment for business. With the **WORKReady!** plan, we strive to gain an understanding of the company's current workforce, develop a training program plan and provide hiring criteria to ensure the best talent is found to fit their needs.

### **WORKReady! Certificate**

Based on ACT's nationally accredited WorkKeys® system, the **WORKReady!** Certificate measures core skills.

- Assessments measure core skills in applied mathematics, reading for information and locating information, three critically important skills in the majority of jobs in the workplace
