**Job Title: Appliance Delivery and Installer**

**Location:** Overland Park, Kansas

**Employment Type:** Full-Time

**Salary:** (based on experience)

**Posted Date:** June 6, 2025

### **Job Summary:**

We are seeking a reliable and skilled Appliance Delivery and Installer to join our team! In this role, you will be responsible for delivering and installing a variety of household appliances, including refrigerators, washers, dryers, stoves, dishwashers, and microwaves, to customers' homes. If you enjoy hands-on work, providing excellent customer service, and being part of a dynamic team, we'd love to hear from you!

### **Responsibilities:**

- Safely load, transport, and unload appliances from delivery trucks.
- Install appliances in customers' homes, including connecting water lines, gas lines, and electrical components as needed.
- Test appliances after installation to ensure proper functionality.
- Provide customers with instructions on appliance use and care.
- Remove and dispose of old appliances when required.
- Maintain a clean and professional work environment during deliveries and installations.

- Communicate effectively with customers and team members to ensure timely and accurate service.

### **Requirements:**

- Valid driver's license with a clean driving record.
- Ability to lift and maneuver heavy appliances (up to 100+ lbs) with a team or equipment.
- Experience with appliance delivery or installation preferred, but not required—willing to train the right candidate.
- Basic knowledge of hand tools and power tools.
- Strong customer service and problem-solving skills.
- Ability to work independently and as part of a team.
- Must pass a background check and drug screening.

### **Preferred Qualifications:**

- 1+ years of experience in appliance installation or a related field (e.g., plumbing, electrical, or HVAC).
- Familiarity with gas and electric appliance connections.

### **What We Offer:**

- Competitive hourly pay with overtime opportunities.
- On the job training
- A supportive and team-oriented work environment
- Training and career development opportunities.
