Subject: Diesel Mechanic II

The Monarch Cement Company is seeking to fill one Diesel Mechanic II position for our Humboldt, Kansas plant. Deadline for applications is August 22, 2025. Monarch is a rewarding place to work and offers an excellent benefit package including medical, dental and vision insurance, company paid life insurance, 401K with a company match, an educational assistance program, and an employee assistance program (EAP). This is a union position and starting wage begins at \$35.41/hour.

To be considered for the position a candidate must be 18 years of age, have a high school diploma, GED, or equivalent, successfully complete a pre-hire physical, drug screen and background check, and possess a valid state issued driver's license and a valid CDL licenses is preferred. This position also requires the candidate to be capable of following oral and/or written instructions and able to accomplish duties in a safe and systematic manner.

Successful candidate must have at least five (5) years of verifiable full-time experience as a diesel mechanic capable of performing all types of work on heavy Caterpillar and John Deere type of equipment and other mobile equipment. Certification from an accredited Vocational Technical Training School or equivalent is required. A WorkReady Certificate through KansasWorks is preferred. The successful candidate must own their own tools.

Must have a thorough knowledge of the operation of internal combustion and diesel engines and their auxiliary components. Some of the typical day-to-day duties will include, but are not limited to, performing mechanical maintenance on trucks, cranes, all types of loaders, large and small dump trucks, forklifts, skid steer loaders, pumps, compressors and other like equipment. Must have good computer skills, be able to keep equipment logs and records, be neat and orderly, be skilled in the use and care of all types of powered drills, grinders, hoses, and special mechanic's tools.

Candidates interested in testing for the WorkReady Certificate through KansasWorks can register by calling 620-432-0320 or contacting Jim Jenkins or Samantha Cole at the Mitchell Career and Technical Center at 4101 S. Ross Lane, Chanute, KS. Applications can be obtained either online at monarchcement.com or by stopping by the plant office between 7am and 3:30pm or at the Corporate Office between 8am to 5pm Monday through Friday. Completed applications can be dropped off at the Corporate Office, by email at hr.dept@monarchcement.com or by mailing the application to The Monarch Cement Company, Att. Diesel Mechanic II Position, P.O. Box 1000, Humboldt, KS 66748. Previous applicants must complete a new application.

The Monarch Cement Company is an Equal Opportunity Employer and encourages qualified minority, female, veteran and disabled candidates to apply and be considered for open positions.
