

AGRI TRAILS COOP JOB POSTING **Internal & External**

FROM: Darel Anderson

DATE: 1/12/2026

RE: OPEN POSITION – Tender Truck Driver

REPORTS TO: Scott Blochlinger, Location Manager, Gypsum

Summary: This position is responsible driving tender truck loaded with liquid fertilizer, dry fertilizer and/or pesticide to custom applicators in a manner that maximizes effectiveness for the agronomy department, along with providing assistance to grain operations when needed.

Essential Duties and Responsibilities

- Drives truck into position and opens valves or pumps to fill tank.
- Reads gauges and meters and records quantity loaded accurately.
- Drives truck to designated customer location and delivers product to custom applicator.
- Performs daily pre/post trip inspections of vehicles and/or trailers and reports findings to supervisor when appropriate.
- Monitors all equipment for chemical leaks.
- Monitors applicator equipment for anything unusual that may go undetected by the operator and alerts them of any potential problems.
- Completes all DOT and other required documentation and paperwork.
- Cleans up product spills.
- Performs maintenance and light repairs on truck and equipment as needed.
- Provides courteous customer service when interacting with customers.
- Operate all elevator loading and unloading equipment.
- Load and unload fertilizer and/or grain into trucks for transport.
- Receive fertilizer and/or grain from producers.
- Handles dry fertilizer.

Required Education and Experience

- High School diploma or General Education Degree (GED)
- 6 months related experience
- CDL License with Tanker Endorsement
- HAZMAT endorsement or willingness to obtain

**Equivalent Combination of education/experience will be considered.*
