

Job Title: Excavator Operator

Company: Flint Hills Stone

Location: Alma, KS

What You'll Be Doing-You'll be running an excavator in an active rock quarry, digging, loading, and moving material all day. You'll be working around haul trucks, and other heavy equipment to keep production moving.

- Run excavator to load trucks
- Keep a steady flow of material without holding up the crew
- Work alongside plant operators, truck drivers, and ground guys to keep things moving
- Jump in and help where needed, this is a team operation, family oriented

Daily Expectations

- Do a walk-around inspection before every shift
- Keep your machine clean and fueled
- Catch problems early and speak up before they turn into breakdowns
- Operate safely at all times
- Follow MSHA and company safety rules

What We're Looking For

- Experience running an excavator, quarry or heavy dirt work a plus
- Good awareness of surroundings, people, trucks, edges, and drop-offs
- Shows up on time, ready to work, every day
- Takes care of equipment like it's their own

Requirements

- Valid driver's license
- Ability to pass pre-employment drug screen
- Willing to work outdoors in heat, cold, wind, and dust, Equipment is heated and cooled.
- Able to climb in and out of equipment and handle a full shift

Work Conditions-This is a working quarry. You'll be around moving equipment, rock piles, and changing ground conditions daily.

Pay & Benefits

- Competitive hourly pay based on experience
- Overtime available
- Health benefits available
- Paid time off
