

## **Nursing Supervisor (RN BSN Required)**

### ***Salina Family Healthcare Center***

Put your skills, education, and experience to work in a positive environment where you will be appreciated and valued.

The Nursing Supervisor oversees the daily operations of the nursing staff, including nurses, medical assistants, interpreters, and referral staff to ensure that high-quality patient care is delivered efficiently and safely. This role provides leadership, guidance, and support to staff while maintaining compliance with healthcare regulations, clinic policies and procedures, and patient care standards.

Required qualifications include a valid RN Kansas nursing licensure and a bachelor's degree in nursing. Desired qualifications include a Master of Science in Nursing degree, 5+ years in a medical clinic setting, previous FQHC experience, and 2-3 years prior supervisory experience as a charge nurse, nursing supervisor, or other leadership role.

Screening and interviews will be conducted on a rolling basis.

Please visit <https://salinahealth.org/careers/> for complete job description and to apply online. Incomplete submissions will not be considered.

EOE/Background check required.
