

Apparatus Tech

Salina, Kansas

Job Type: Full-time

Job Description: Weis Fire & Safety Equipment, manufacturer of wildland fire apparatus, is seeking a reliable, self-motivated, and detail-oriented person to join our Apparatus Division as an **Assembly Technician**. This position is responsible for assisting with the installation of equipment on trucks, routing and securing wiring harnesses, and using a variety of small hand tools to complete installations.

Requirements:

The ideal candidate will possess the qualifications listed below; however, we are willing to train the right individual.

- Ability to safely and effectively use a variety of hand tools, power tools, and electrical testing equipment
- Basic understanding of equipment assembly, plumbing, and electrical systems
- Basic knowledge of generator installation, controls, and operation
- Ability to install rechargeable lighting, radios, and other vehicle accessories, and troubleshoot electrical control systems, including chassis, body, pump, and foam systems
- Flexibility to perform a variety of tasks and adapt to changing job responsibilities
- Strong customer service and communication skills

Benefits:

- Health insurance
- Dental insurance
- Paid time off

- Paid holidays
- Retirement plan

Schedule:

- Monday through Thursday 7:00 a.m. – 5:00 p.m.
- Friday 7:00 a.m. – noon

Weis Fire and Safety Equipment is an Equal Opportunity Employer.
