

## Pharmacist

### *Salina Family Healthcare Center*

Put your skills, education, and experience to work in a positive environment where you will be appreciated and valued.

The Pharmacist position is responsible for promoting the safe, appropriate, and effective use of medications through drug utilization reviews and comprehensive clinical pharmacy services. This role supports patient care by providing clinical oversight, medication management, and collaboration with healthcare providers and care teams.

Required qualifications include a valid Kansas Pharmacist's license in good standing and current CPR certification.

Screening and interviews will be conducted on a rolling basis.

Please visit <https://salinahealth.org/careers/> for complete job description and to apply online. Incomplete submissions will not be considered.

EOE/Background check required.
