

Driver / Warehouse Associate

Worldwide Beverage Group of Kansas

Position Summary

Worldwide Beverage Group of Kansas is seeking a dependable, detail-oriented **Driver / Warehouse Associate** to join our team. This role is responsible for warehouse organization, order fulfillment, product delivery, merchandising, and exceptional customer service. The ideal candidate is reliable, safety-focused, physically capable, and takes pride in representing the company professionally with retail and on-premise customers.

Starting pay: \$21 - \$23 based on experience and qualifications.

Key Responsibilities

Warehouse Operations

- Organize and maintain a clean, safe, and efficient warehouse environment
- Receive, inspect, and accurately put away incoming product shipments
- Accurately pick, pull, and stage customer orders for delivery
- Assist with inventory organization and stock rotation
- Operate warehouse equipment safely and responsibly

Delivery & Customer Service

- Deliver customer orders accurately, safely, and on schedule
- Merchandise delivered products in customer accounts according to company standards
- Pick up and verify payments when required
- Maintain accurate delivery records and detailed notes regarding any delivery discrepancies or issues
- Communicate promptly with the appropriate Sales Representative regarding store-level issues, delivery concerns, or customer requests
- Provide professional, courteous, and helpful customer service at every account

Vehicle & Equipment Responsibility

- Safely operate company delivery vehicles, vans, trucks, and related equipment
- Keep company vehicles clean, organized, and presentable
- Promptly report maintenance, safety, or operational concerns with vehicles or equipment

Qualifications

- Valid driver's license with clean driving record
- Previous delivery, warehouse, beverage distribution, or merchandising experience preferred
- Ability to lift, carry, push, and move product repeatedly throughout the workday (50+ lbs regularly)
- Strong attention to detail and accuracy
- Dependable with excellent attendance and punctuality
- Strong communication and problem-solving skills
- Ability to work independently while maintaining accountability
- Professional appearance and customer-first attitude
- Forklift or warehouse equipment experience is a plus

Physical Requirements

- Frequent lifting, carrying, bending, pushing, pulling, and standing
- Ability to load/unload beverage product throughout the day
- Ability to work in warehouse and outdoor delivery environments in varying temperatures

What We Value

At Worldwide Beverage Group of Kansas, we value reliability, hustle, accountability, teamwork, and outstanding customer service. Every delivery and warehouse task directly impacts our customer relationships and brand reputation.
